

Extended product warranty for building construction products

To underline our confidence in the quality of our products, Chemelex now offers an extended product warranty program (EU0194).

For the products (listed below) an extension of the limited product warranty period is available, if an online warranty registration form is completed at <https://www.chemelex.com/raychem/support/warranty-information> within thirty (30) days from the date of installation.

The same warranty conditions apply as described in the standard warranty program.

This extended warranty is only valid for products purchased and installed within EU, CIS, or EFTA countries after March 15th, 2013

A FIVE (5) YEAR LIMITED WARRANTY FROM DATE OF PURCHASE IS AVAILABLE ON THE FOLLOWING PRODUCTS

Brand	Type	Products
Raychem	TraceTek leak detection cables	TT3000 and TT5000
	Components	Associated components and accessories

A TEN (10) YEAR LIMITED WARRANTY FROM THE DATE OF PURCHASE IS AVAILABLE ON THE FOLLOWING PRODUCTS
